Frequently Asked Questions

Do I need a referral letter?

No, but your GP will be notified unless you ask us not to do so.

Will I see the Consultant Surgeon throughout?

Yes, from the initial consultation, operation and follow up, your Consultant Specialist will be with you. We do not use high pressure sales persons or Nurse Advisers.

Is my Specialist an NHS Consultant?

Yes, all Bodycontour Surgeons and Anaesthetists will be NHS Consultants. Our Surgeons are Fellows of the Royal College of Surgeons (FRCS) and Members of European Academy of Cosmetic Surgery (EACS) and the American Academy of Cosmetic Surgery (AACCS).

Where will my treatment take place?

All treatment and follow up will be at a Local Highly Prestigious Private Hospital which is fully registered with the Healthcare Commission.

Will pressure be put on me to have surgery at the initial consultation?

Definitely not. Your suitability will be discussed along with the expected results, risks and complication. If you are not suitable you will be told.

Are there any hidden costs?

No. Following your outpatient consultation, you will be given a fully inclusive price for surgery.

How can I pay?

Payment can be made by cash, cheque or credit card. Subject to the type of operation an interest free or preferential rate payment plan may be available.
